

CodeJet Elite Total Care Program

The 360si Elite Total Care, 5 Year, All-Inclusive Full Service Warranty

Elite Total Care Package – Includes new state of the art, Touchscreen Printer with a five-year, full service, parts, maintenance, filters and labor warranty. No Hidden Expenses, No Additional cost, No Surprises, ever! You know your fixed, low price monthly budget. Never spend an extra dollar for your printing needs. We have a short information form to complete and that is all you need to get started and have a great printer for the best price and an un-paralleled five-year, all inclusive service program.

- **CodeJet Partner Financed** - You work through us for simple, one step solutions for the best full service price in the industry. Everyone qualifies for our program.
- **Competitive Guaranteed Fixed Monthly Price** - Our Elite Total Care Package is the best in the industry and includes everything you need in one low monthly fixed price. Printer, Filters, 5 year parts and labor warranty is all included. No hidden cost! No prorated warranty!
- **End of Term Solutions** – At the end of your term, you may upgrade your plan with our latest technology with a new printer and return the old printer at the same price or less than you pay now, or you may extend the current Elite Total Care maintenance program and the printer is yours, or you may return the Printer.
- **Excellent, Qualified Service** – CodeJet sets the standard in quality inkjet printers and we offer several solutions to insure you never have any downtime at your facility.
- **Customized Solutions** – Choose the best solution for your needs and budget. We offer different tiered plans and are flexible to meet your operational needs. We also have conveyors, custom brackets, traversing systems and more that can be included in the payment.

* Warranty pricing is based on 1 shift per day and does not include misuse or damage to the printer.

* Warranty Labor is performed at the CodeJet facility.
